## Vulcan Team Wins Basketball Tournament Mar. 2

In weekend basketball action, High River girls defeated Vulcan girls 24-15 in the Foothills basketball league, in a game played at Vulcan on March 1.

Vulcan boys defeated High River boys 56-36, tying up the series at one game each and forcing a third game, which will be played at High River on March 8.

In County League basketball, Vulcan Central high school girls defeated the Lomond high school girls 25-20 and the Vulcan boys also won their game against Lomond.

Competition was keen in the invitational tournament played at Vulcan on March 2 and teams competing were High River boys, Stavelly boys and girls teams, Milo girls, Barons boys and Vulcan boys and girls teams.

The Richardson Trophy was won by the Vulcan girls and the Wilson & Giles Trophy was won by the Vulcan boys.

In the girls' games, Vulcan defeated Stavelly 36-24, Milo defeated Vulcan 24-18, Vulcan defeated Stavelly 36-11 and Vulcan then defeated Milo in the final.

In the boys' games, High River defeated Stavelly 38-24, Vulcan defeated Barons 33-29, Stavelly defeated Barons 54-40, Vulcan defeated High River and then Vulcan defeated Stavelly 70-61 in the final.

Teams from Milo, Lomond and Vulcan will compete in the annual County Saturday Tournament on March 9 at Vulcan. Playing for the County of Vulcan trophies will be the teams representing Grades 10-11-12 from Milo and Lomond and Grades 10-11 from Vulcan.

## Alston Community Honors Mrs. Bowie

The annual potluck supper was held at Alston hall Saturday, Mar. 2. The special guest of the evening was Mrs. Mae Bowie of Vulcan, formerly a resident for many years of the Alston district. Mrs. Bowie was presented with a gift by Doug Galbraith on behalf of the Alston district community upon her retirement. She very graciously thanked everyone and called upon the members present, whom she had taught during her early years in the district.

To conclude the evening's program there were seven tables of whist played with Mrs. Edith Williams and Bill Wylie winning ladies and gents high. Mrs. Sam Beingsner and Gerald Meuller were low.

## Bridal Shower

A pre-nuptial shower was held a few days prior to her marriage for Mrs. Darrel Steeby, (nee Madeline White) at the home of Mrs. T. P. Smith, west of Vulcan.

Pink and white streamers decorated the future bride's corner and a corsage of pink carnations was pinned on her by the hostess. Many beautiful and useful gifts were presented to Mrs. Steeby by Robin and Kim Lyon of Calgary, and Mrs. Elsie Lyon assisted her in opening the gaily wrapped gifts.

The bride-to-be very graciously thanked the ladies and the hostess for the lovely shower. Her mother, Mrs. James T. White, and her aunt Mrs. Sam White presided at the lace-covered tea-table, which was decked with an arrangement of flowers. The honored guest's cake was decorated with a pair of white

Football star Johnny Bright of Edmonton was officially appointed honorary chairman of the Alberta 1963 Easter Seal Campaign at a campaign luncheon held in Edmonton. He is pictured here with Lenny Seaby, Edmonton's Easter Seal "Timmy" for last year.

Six foot one, 215 pound Johnny Bright, a tough competitor on the football field, is one of the last remaining players who joined the Edmonton Eskimo Football Club in 1954 and helped lead the team to Grey Cup victory for three successive seasons. He has been

named to the All Star Conference for six occasions, was outstanding player of the year 1958 Shrine Game and in 1959 was Schenley Award winner and Edmonton's Athlete-of-the-year.

## Feb. Meeting Of Good Deeds W.I.

The Good Deeds Women's Institute held their February meeting in at the home of Mrs. George Sandberg. Present were 13 members and three visitors.

This meeting had been postponed one week due to the death of the late Miss Viva Dennisen, highly esteemed Institute member. A one-minute silence was observed for her memory.

Each member present brought her sunshine friend a home-made valentine, in answer to the roll call.

Mrs. Dianna White read the latest CAC Bulletin, Mrs. Grace Smith the courtesy report, Mrs. Nellie Hutton the rest room report and Mrs. Jean Whitehead reported on the treasury. Another potluck supper was arranged to be held at the home of Mrs. Sam White early in March.

After the brief business meeting was adjourned, the valentines were distributed displaying much talent and wit on the part of the artists. A social afternoon followed scheduled for this month.

A delicious lunch of sandwiches and cakes was served by Mrs. Louise Sandberg, hostess assisted by Mrs. Pat Dingwall and Mrs. Mary Andrews.

## Give 6,933 Doses Of Sabin Vaccine

During the recent program carried out in the Foothills Health Unit area, a total of 6933 doses of Sabin vaccine were given. Of 5434 school children, 5186 were eligible for Sabin, and 4403 received the vaccine.

The number of adults and preschoolers who received the vaccine are as follows: High River 459, Nanton 339, Vulcan 336, Okotoks 205, Blackie 195, Champion 153, Turner Valley 141, Black Diamond 117, Arrowwood 109, Milo 105, Red Deer Lake 93, Carmangay 79, Lomond 66, Millerville 52, Longview 31, Bragg Creek 1.

swans. Much merriment was caused by the reading of teacups by Mrs. K. Greftegriff.

## At Regular Meeting

## Carmangay Fish and Game Plans Annual Banquet

## Wildlife Crop Insurance Not Too Popular

Members of the Joint Game and Wildlife Committee, on which are represented the FUA, AFA, Western Livestock Growers and the Alberta Fish and Game Association, met Feb. 20, with Mr. Willmore, minister of lands and forests. The minister reported that the premiums for crop insurance would be reduced to 2%. He was disappointed about the lack of participation. If the fund is not used it may be discontinued. The committee took the stand that a change in conditions and increase in duck population could make this fund and the insurance policy very important. A change in insurance practice was suggested so that a farmer could insure any portion of a quarter section without designating the actual area. The minister agreed to take a look at this proposal after consulting with the Insurance Board.

Basically the minister is opposed to compensation for loss of livestock. He considers the actual loss caused by accidental shooting by hunters to be very small. The majority of cases indicate vandalism which also includes damage to farm equipment. The burden of proof would be costly and if proven as vandalism, could not be rightly charged to the fund.

The minister outlined a proposed hunter training program for young people. The basic idea was to train leaders who, in turn, would be available to instruct young people's groups (or adults). The leaders and trainees would be provided with recognitions following the successful completion of tests, or examinations.

The question arose as to whether granting of hunting licenses in the future would be dependent on successful completion of such courses. The minister felt this to be an interesting possibility, but plans had not been developed to the point where this had been considered.

## More PFA Payments

The third list of lands eligible for PFA payments because of short crops last year has been received.

Category 3-5 (\$3.00 per acre)—All of Twp. 21-23-4 except Secs. 2, 3, 5 and 6.

Category 5-8 (\$2.00 per acre)—Secs. 2 to 36 incl. in Twp. 21-22-4. Secs. 13, 22 to 27 incl., 34, 35 and 36 in Twp. 21-24-4. Secs. 1 to

15 incl., 17 to 21 incl., 23, 25 to 31 incl. and 34 in Twp. 22-23-4. Secs. 1 to 18 incl., 20, 21, 23 and 25 to 36 incl. in Twp. 22-24-4. Twp. 20-21-4 has been inspected and declared ineligible.

## Young Singer Receives Award At Annual Dinner

Donald Hansen, 13-year-old son of Mr. and Mrs. Harold Hansen of the Ensign district, is one of ten members of the Calgary Theatre Singers who have received awards to further their training in various aspects of music and the theatre.

At the Theatre Singers first annual awards dinner, held in Calgary last week, Donald received an award to be used for lessons in dancing, fencing or stage movement. He was the youngest member of the group to be so honored.

The Theatre Singers were organized in 1959 by Mrs. Elga Higgin to encourage and assist in the education of amateur performers and to present operas, pantomimes, musical comedies and concerts. Donald Hansen played the title role in Amahl and the Night Visitors and the part of Louis Leonowens in The King and I.

Presentation of the awards was made by Mrs. Elga Higgin, Mrs. M. G. Taylor and Mrs. V. L. Donahue.

## Champion Resident Passes Suddenly

A resident of Champion for the past 13 years, Mathias Decker, aged 59, died suddenly at Vulcan on Tuesday, March 5, following a brief illness.

Born in Nurdorf, Luxembourg, Mr. Decker moved to Counsel, Sask., in 1927 and lived at Ensign and Vulcan from 1932 to 1941. He served overseas with the Canadian Army from 1941 to 1945 and in 1950 moved to Champion, where he was CPR section foreman.

Besides his wife, Violet, he is survived by one daughter, Beverly Ann, at Calgary; three sons, Donald and Gordon, at Champion, and Pierre, at Calgary; three brothers and three sisters in Germany.

Requiem high mass will be celebrated at the Immaculate Conception Church, Champion, on Friday, March 8, at 11:00 a.m. Remains may be viewed at the Vulcan Funeral Home until 10:00 a.m., Friday.

## Elks Provincial Champs Honored

The Alberta Elks Corby provincial champions of Calgary with Slim Otterson skipping, Stu Beagle at third, Jerry Seamon at second, and Rus Johnson at lead were guests of honor at the BPO Elks No. 4 of Calgary on Saturday, March 2, where they were presented with sweaters, caps and pins by Palmer Setters from the Lodge and a gift from Corbys.

They will be leaving by air on March 19 for Saskatoon where they will curl in a double round robin against teams from BC, Saskatchewan, Manitoba and Ontario for the Dominion Elks Championship and the coveted Corby Cup.

## Opposes 'Hopper Poison Subsidization

## Varied Agenda At Regular County Meeting

The regular February meeting of the Council of the County of Vulcan No. 2 was held on Friday, Feb. 15, 1963.

The financial statement for the month of Jan. was read and discussed. The secretary explained some of the items in the auditor's financial statement and noted that the county had been able to operate during the year 1962 without borrowing. It was moved and carried that the financial statement and auditor's financial statement be adopted.

A letter from the Berrywater FUA in respect to the appointment of committees at the Jan. 3 meeting, was read. The letter stated that the FUA members thought that the new committee members should wait until after the 1963 elections. The secretary's reply and the reply from the Deputy Minister of Municipal Affairs to the effect that it was now mandatory that the council elect its chairman and committee members at the first meeting in Jan. was read.

A letter from the County of Wheatland, asking for delegates to attend a meeting in the county office, Strathmore, on Wednesday, Feb. 27, at 2:00 o'clock in the afternoon to discuss the matter of subsidizing the distribution of dieldrin for grasshopper poison, was read. The letter also advised that a number of representatives from the surrounding districts would be at the meeting, and it was desirable to obtain a policy in the distribution of dieldrin which would be more or less uniform in the area. It was moved and carried that the County of Vulcan send the Chairman of the Service Board, Mr. Irwin, and a Service Board member, Mr. Cuthforth, to the meeting, and that the County of Vulcan delegates be instructed to advise the meeting that the county is opposed to the subsidization of grasshopper poison.

A questionnaire from the Foothills Health Unit in respect to the number of probable custodial care patients was discussed. The councillors discussed the whole matter of Auxiliary Hospital, Chronic Hospitals, Custodial Care Homes and Senior Citizens Homes. It was decided to answer the questionnaire and advise the Foothills Health Unit that there would be about 30 prospects for a custodial care home in the Vulcan County area.

A letter from Western Stock Growers Assn. in respect to increasing the load limit on highways for cattleliners, was read to the council. No action was taken.

A letter from A. H. Murray, Superintendent of the Blackfoot Indian Agency, in respect to municipal assessment on non-Indian farmers who are leasing land on the reserve, was read. The letter protested such assessment, and it was noted that a copy was being sent to the provincial government and to the Provincial Regional Director of the Indian Affairs Branch.

The secretary reported in respect to the sale of the airfield to Mr. William Klassen. Information

was given to the council that the title to the property had now been vested in the name of William Klassen, that the final payment was in the hands of Allan Brownlee, Solicitor, Edmonton, and that it was expected that within the next few days the county would receive the complete payment.

R. S. Irwin, Chairman of the Agricultural Service Board, reported on the meetings held in Dec. and Jan. and advised that consideration had been given to the matter of appointing an assistant Supervisor. The service board had an application from Vernon G. Jordan of Champion who had made application for the position. Mr. Irwin advised that the service board had recommended that Mr. Jordan be engaged as Service Board Assistant Supervisor. It was moved and carried that the county engage Vernon G. Jordan as Assistant Field Supervisor of the Agricultural Service Board at a salary of \$3,600 per year, duties to commence on April 1, 1963.

A delegation from the hamlet of Mossleigh interviewed the council in respect to the proposed water installation at Mossleigh, and advised the council that the delegation had withdrawn its support from the by-law which had been given first reading at the Jan. 15 meeting. The delegation also advised the council that it was now proposed to request the County of Vulcan to supply a well, pump, motor, cistern and pressure tank for the hamlet of Mossleigh and that the hamlet would form a co-operative association and install their own water lines. This new proposal met with favor from the councillors, and it was moved that By-Law No. 394 be read a second time and on motion duly passed was defeated.

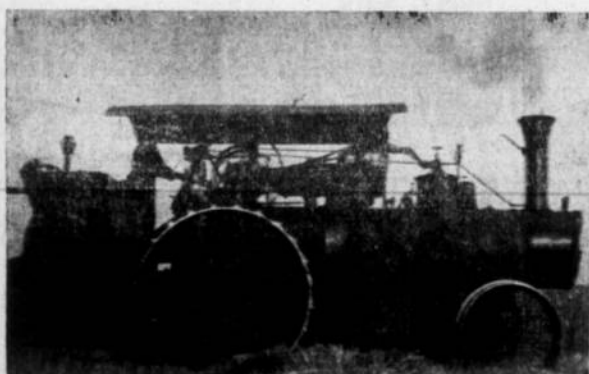

It was moved and carried that authorization be given to install a pump, pressure tank, cistern and motors at the Mossleigh well head to be used for residents who will be responsible for the distribution line and the operating power bills.

By-Law No. 396, a by-law to authorize the County of Vulcan No. 2 to enter into an agreement with the Minister of Public Welfare and the Town of Vulcan and Villages of Carmangay, Champion, Lomond, Milo and Arrowwood, to operate a Senior Citizens' Home Foundation was introduced and read a first time. Councillors discussed this matter for a considerable length of time and it was brought out in the discussion that some of the thinking was that the area should have a Custodial Nursing Care Home or other institution to look after patients who needed nursing care before a Senior Citizens' Home be established in the area. It was moved by Mr. Irwin and carried that By-Law No. 396 pass its first reading.

It was moved by Mr. Hubka and carried that the by-law pass its second reading.

As there was not unanimous consent to read the by-law a third

Members of the Fitness and Amateur Sports Survey and Study Committee of the Recreation and Cultural Development Branch are shown planning their program of community visits. Left to right, they are: Jack W. Riddell, secretary, Mrs. Isobel Seaman, Miss Audrey Carson, A. B. Pettigrew, chairman, David Critchley, Dr. Don Smith and Lionel Fournier,

Research Advisor. They will carry out a program of study and analysis of present physical fitness and amateur sport endeavours in the province, with the specific purpose of making recommendations for immediate and long range development for Alberta. This program is a part of the National Fitness and Amateur Sports Program introduced last year by the federal

government. The study will be four-fold in its aspects, under the main topics of facilities, finance, personnel and program. The committee will solicit written submissions from communities and associations on these subjects and on other pertinent points.

A "Non-Cancellation" Pledge to  
WAWANESA  
AUTOMOBILE POLICYHOLDERS

The Wawanesa Mutual Insurance Company pledges that it will not cancel your automobile policy after it has been in force 60 days or more — except for non-payment of premiums.

## ANOTHER FIRST FOR WAWANESA!

Every insurance company has the right to cancel an automobile insurance policy for any reason which to the company seems sufficient. This has always been a matter for concern to automobile owners who fear that they may be cast adrift in the automobile insurance market... with only a cancelled policy for a pittance.

Related to its volume of business Wawanesa seldom exercises its cancellation privileges. However, to relieve any lingering anxieties you may have, Wawanesa now pledges:

1. If you have been a policyholder of the Company for at least 60 days, Wawanesa will not give you notice of cancellation for any reason except non-payment of premium.
2. If your present policy with Wawanesa is renewed there will be no waiting period; in other words, the renewal policy will not be cancelled after the expiry date of your present policy for any reason except non-payment of premium.
3. If you are not at present a Wawanesa Automobile Policyholder but become one, the above non-cancellation privileges will become applicable to you after a waiting period of 60 days.

A safe guess would be every one of them / That's because, in Canada, practically everybody has regular dealings with a chartered bank / Deposits accounts number more than 12½ million — or better than one for every adult. And on the books of the banks at any one time are 1,800,000 loans for just about every personal and commercial purpose / Through 5,000 branches, from one end of the country to the other, the chartered banks bring a full banking service within the reach of everyone.

## Custodial Care Home Needed Here

High River is to make a concerted drive for a custodial care type of hospital, with representatives of the High River hospital board, the town and the M.D. of Foothills forming a committee to present their views on such a hospital to the Department of Health in Edmonton. The need is seen for the type of hospital to care for patients with chronic or long-term illnesses, thus releasing urgently needed beds in the active treatment hospital. A 25-bed custodial care wing added to the present active-care hospital is envisaged.

Terming as "foolish" the Department of Health's previously announced intention to construct an auxiliary hospital in Vulcan to serve the residents of the over-large Okotoks-High River-Vulcan area, the mayor of High River said: "We must make a drive to get this hospital — whatever it may be termed now — chronic, auxiliary or custodial care."

Well, we have no particular quarrel with High River's stated need for such a hospital, but the fact remains that the large area of which Vulcan is the trading and service centre has an identical need for the type of hospital that would take care of the chronically ill — the patients whose great need is for long-term bed care. Active hospitals are not intended to provide long-term nursing care but very often they are providing this service through necessity — there being no other place for the chronically ill to go and still be reasonably close to relatives. But in providing care for such patients, an active treatment hospital is using beds that are very often required for emergencies or for more seriously ill patients.

We do think that the area originally designated to be served by an auxiliary hospital (which, by ministerial order, was to be located at Vulcan) was too large, in area if not in population. Certainly the chronically-ill from the Okotoks-High River area would not wish to be hospitalized at Vulcan; nor would residents of the Vulcan county area particularly wish to be patients at High River.

The provincial government is, apparently, now revising its thoughts on the whole concept of auxiliary hospitals and the auxiliary hospital program is being held in abeyance while new plans are being formulated. The need for custodial care for long-term patients is now being recognized and what may evolve as a replacement to the auxiliary hospital program is the construction of 25-bed custodial care homes, either as separate buildings or as semi-detached wings to existing active treatment hospitals. These would serve smaller areas than what was originally envisaged as an auxiliary hospital area but would provide the service needed, where it is needed.

Vulcan should continue to make known to the Department of Health that an urgent need exists in the County area for this type of nursing home-hospital. Concerted action by the County, the Hospital Board and the Town Council will keep us in the forefront when custodial care home planning gets down to the matter of locations.

Mr. and Mrs. Ross McIntyre and small grandson, Michael White visited at Red Deer last week.

A special christening service was held at 2:00 o'clock Sunday, at the local United Church, by the Rev. D. Sharpe for Deanna Lynn, infant daughter of Mr. and Mrs. Wm. S. Wylie. Wesley George and William Robert, sons of Mr. and Mrs. George Richardson were also christened. Deanna Lynn received a sterling silver baby spoon from her sponsors, Mr. and Mrs. George Richardson. Those present to witness the christenings were Mr. and Mrs. Dave Crabb and Sharon, Mr. and Mrs. Wm. Wylie, Jr. and family, Jerry Guy Wade, Pte. Ben Waters, Pte. Wm. Oaler, Pte. George Elder, Sharpe. A turkey supper was held at the Wm. S. Wylie home to conclude the occasion.

The Provincial Governments in Canada are responsible for a sort of family-like co-operation, among their communities, should an atomic war hit this continent. Meanwhile during this time of peace the job is to make such co-operation possible should emergency condition arise.

## Old Newspaper Recalls Box Social at Queenstown

(From the Gleichen Call  
October 10th, 1918)

The basket social and dance held in the new hall Friday evening, Sept. 27th, for the purpose of raising a little Christmas money for the men who have gone to the front from the Queenstown district was a huge success.

The sum of \$1,123.00 was raised as follows: \$420 was taken in at the door for tickets; 106 baskets were sold and brought \$640 and \$63 was donated.

To raise such a big amount here was quite a "stunt" and should be an eye-opener to the people of other districts. It was wonderful in a year like this, when the crops were small and everybody needs to hold on to every dollar they have, and it goes to prove that the people out here have their hearts in the right place and feel that the boys, who left all behind and are now risking their lives in order that the world may be a better place to live in, need all the cheer we can send them for Christmas. Of course, not all the money came out of the district. There were quite a lot from Gleichen, Cluny, Lomond, Kinlondale, Reid Hall and other places; in fact the hall was jammed full.

A good deal of praise is due to the committee who had charge of the affair. They had it advertised well and they had things running quite smooth. There was some criticism over the entrance fee at a box social, and while it was perhaps not a usual thing, what did it matter? The people knew what the money was to be used for and whether they paid a dollar at the door or put it all on the baskets did not matter much.

The hall proved its worth on this occasion. Sometime ago the Farmer's Co-Operative Association was severely criticised for building such an expensive hall during war times. George Macomber at that time told the critics that the hall could be used as the very best means of raising money for any of the various war funds, and Friday night's outcome proved this. We could never have held this in a school house. The crowd could never have got in. In fact they would never have come with the knowledge they have of former entertainments in school houses.

The Calgary Veterans band unavoidably disappointed the committee at the last moment by telephoning that about half their members had been ordered to proceed at once to Siberia. Mrs. Trainor then got on the line and she promptly got another orchestra to fill another engagement she had in Calgary for the evening and arrived at Milo with five musicians to the delight of everyone.

Among those who ably assisted the committee was Mr. Hardwick, the Snake Valley rancher, and Mr. Beach of Gleichen deserves thanks. Mr. Hardwick certainly had a job on his hands keeping track of the name of every man who bought a box, the price paid and securing the name of the lady who made the basket. Not satisfied with this he took upon himself the pleasure of paying the orchestra for one hour of extra music.

Mr. Beach had offered his talents as an auctioneer to sell the boxes and when he had not arrived at midnight the committee began to feel uneasy. Just then a wireless was received that some accident had overtaken his party out in the wilds of the Blackfoot reserve and a relief car was speedily despatched to the rescue. It was some job to sell baskets to that crowd and no doubt Mr. Beach thought that to sell horses and second hand implements at a spring sale a cinch compared with this. Still, after super human efforts and talking himself hoarse at times he accomplished the task, and got all the way from \$1 to \$26 per box, and when the committee offered a vote of thanks and called for three cheers for the auctioneer they were most cheerfully given.

Among other attractions there was a full grown turkey presented by Mrs. Wilson Ivers that sold for \$20 to Messrs. Phil Brown and H. D. Hardwick. The turkey was finally let loose in the hall and enjoyed a fine turkey trot.

A meeting of the committee has been called to settle the financial affairs, when after deducting expenses amounting to \$160 and \$67.25 given the Queenstown Women's Institute to pay for the Christmas boxes sent to the soldiers, the balance will be equally divided and sent by registered mail to the boys at the front. The committee hope the boys will acknowledge receipt of the amount as last year a few of the letters were returned long after.

The committee in charge wish to thank everyone who participated and helped to make the affair so successful, especially the ladies, who brought all the nice boxes, and brought the following

## Varied Agenda At County Meeting

(Continued From Front Page)

ing staff at the Milo School, with regrets.

It was moved and carried that the committee appoint Mrs. Irene Kiemmele to the teaching staff at Milo, to fill the vacancy caused by the resignation of Mrs. Olsen.

It was moved and carried that the committee authorize the purchase of staff room furniture for the Vulcan Elementary School in the amount of \$265 from Vulcan Furniture.

A report was given to the meeting in regard to salary negotiations, and it was noted that the teachers' committee had requested the preliminary discussions be postponed until the month of March, as the teachers were not ready to begin discussions. It was suggested that March 20 to 22 would be a most suitable time.

It was moved and carried that the committee approve the expense for adjudicators and an accompanist for the forthcoming musical festival.

It was moved and carried that there be no charge to the public for attendance at the musical festival to be held in the auditorium.

It was moved and carried that the library grant for the year 1963 for Grades 10, 11 and 12 be \$50 per room or \$2 per pupil, whichever is greater.

A letter from the Lomond Home and School Association in respect to the acoustics problem in the Lomond School auditorium was read. The letter asked that the committee investigate the possibility of correcting this condition. After discussion of this matter the committee felt that more information and advice was needed before any action could be taken, and suggested that Mr. McAllister advise the Home and School Association that it was an almost impossible problem to overcome.

Councillors decided to hold their March meetings as follows:—School committee, Tuesday, March 19; municipal committee meeting, Wednesday, March 20; county council meeting, Friday, March 22.

The regular Feb. meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, Feb. 13, 1963.

A delegation from the East Carmangay Mutual Telephone Co. interviewed the committee in respect to the moving of the telephone lines back from the road allowance. The committee agreed to furnish the post hole digger and move the line providing the members of the telephone company would be there to assist in the work.

The committee interviewed salesmen from various companies offering tractors, graders, scrapers, and loaders for sale. The committee listened to the proposals and took the matter under advisement.

The regular Feb. meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, Feb. 11, 1963.

It was moved and carried that Frank Thurber be appointed Deputy-Chairman of the School Committee for the ensuing year.

It was moved and carried that the committee allow the Mossleigh 4H Club to use the school auditorium on Saturday, Feb. 16, free of charge on the understanding that no charge for the meeting to the public would be made.

It was moved and carried that the committee permit the Cubs Organization to use the Champion school facilities for weekly meetings immediately after school, providing these do not interfere with the school activities.

It was moved and carried that the county accept Mrs. Mirra Olsen's resignation from the teaching staff at the Milo School, with regrets.

## Newlyweds To Reside In High River

A wedding of interest to residents of Blackie and Herronton took place in St. Francis de Sales church in High River on February 1, when Father Leaver united in marriage Sharon Louise Maisey and Montague Joseph Southgate.

The bride, who is the daughter of Mr. and Mrs. Lorne Maisey of Herronton, entered the church on the arm of her father. Her bridal gown of lace and satin over a crinoline was floor length, and featured a fitted bodice encrusted with iridescent sequins and pearls, and lily point sleeves. Her bouffant veil cascaded from a sequin trimmed tiara, and she carried a shower bouquet of red roses.

Mrs. Frank Lewis was her sister's matron of honor and Miss Collette Southgate was the bridesmaid. Both were attired in blue lace afternoon dresses with contrasting accessories, and each carried a floral arrangement of yellow carnations.

John Southgate, the groom's brother and Walter Wilderman attended the groom while Larry Maisey and Bill Todd ushered the guests. Miss Maureen Gallagher was the organist, and during the signing of the register John Van Brunschob was the soloist.

For her daughter's wedding, Mrs. Maisey chose a knitted suit in rose shades with black accessories. Her corsage was white carnations. Mrs. Southgate's frock was of floral matte jersey in magenta shade with black accessories and a corsage of white carnations.

Mrs. Daub, the bride's grandmother chose a two piece suit of green crepe and she also wore a white corsage.

The reception for 100 guests was held in the IOOF hall in Blackie, where the bride's table was centered with a three tiered wedding cake, topped by a miniature bride and groom.

Murray Strong, uncle of the bride was toastmaster. Max Groves, also uncle of the bride proposed the bridal toast to which the groom ably responded.

Following the reception, the bridal party and guests journeyed to Herronton, where Mr. and Mrs. Maisey held open house before the wedding dance in the hall. The

SOUTHGATE — MAISEY

happy couple received congratulations and good wishes from more than 300 friends and relatives who gathered to honor them. Murray Strong, on behalf of the gathering presented them with a purse of money. After the dance Mr. and Mrs. Southgate left for a short

honeymoon in Spokane. For travelling Mrs. Southgate wore a wool dress in Cherry red with black accessories. Her corsage was of white roses. The happy couple will make their home in High River where they are both employed.

## KEEPS DELIVERY COSTS DOWN!

DEMANDING MULTI-STOP MILK ROUTES: Gay Lea's Chevrolet fleet is on the road regardless of weather. This is where Chevrolet's dependability pays off.

"BY STANDARDIZING ON CHEVROLET WE PUT OUR DELIVERY OPERATION ON A SOUND BASIS"

"Heavy loads and multi-stop routes are demanding, but our Chevrolets are doing a wonderful job—giving us dependability and economy."

Sales Manager  
GAY LEA  
DAIRY PRODUCTS  
Guelph, Ontario

WIDE-RANGING PICKUP AND DELIVERY ROUTES are a real day's work, that's why Nelsons run only Chevrolets in their busy greater Vancouver operation.

"CHEVROLET TRUCKS HAVE WON OUR CONFIDENCE AND SATISFACTION"

"We have 121 Chevrolet trucks averaging 20,000 miles a year on short run, multi-stop routes. We have so little down-time, we have reduced the number of spare trucks from 4 to 2."

Executive Vice-President  
NELSONS LAUNDRIES LIMITED  
Vancouver, B.C.

## "THE ECONOMY AND PAYLOAD WE NEED"

"We have 3 T60 Tilt Cab Chevrolet trucks with 6-cylinder engine, 5-speed transmissions and 2-speed rear axles. With that combination, we haul maximum payloads and get the economy we need."

Traffic Manager  
ROYAL CITY FOODS LTD.  
New Westminster, B.C.

HEAVY DELIVERIES IN HEAVY TRAFFIC — A TOUGH COMBINATION. Chevrolet T60's extra-visibility and manoeuvrability give Delnor drivers the edge in heavy traffic and in cramped quarters.

HUSTLING HIGHWAY AND CITY HAULING: Pickups in Montreal—expressway runs—deliveries at off-the-road sites—they're all part of a day's work for this Chevrolet fleet.

"CHEVROLET GIVES US THE MOST DEPENDABLE SERVICE"

"Our 8 Chevrolet trucks log about 75,000 miles a year on pickup and delivery runs. We have found that Chevrolet gives us the most dependable service, and dependability is what we need in the lumber business."

Vice-President — General Manager  
THIBAUT & DESJARDINS LTD.  
Ste. Therese, Quebec

Homemakers are finding that instant milk powder has many advantages and its popularity is rapidly growing. Its convenience and ease of storing makes it ideal especially for picnics and camping trips.

Skim milk powder contains all the nutrients of fresh whole pasteurized milk except fat and vitamin A. It is low in calories, containing about half the calories of whole milk.

All instant skim milk powder packaged and sold in Canada is marked Canada First Grade. The powder is graded on the basis of fat, moisture content, flavor and solubility and is checked for bacterial content according to regulations established by the Canada Department of Agriculture.

Skim milk powder can be kept on the kitchen shelf one to two months after the package is opened. However, the package should be closed tightly after each use since the powder tends to pick up moisture. Once the powder is mixed with water, it should be treated like fresh milk.

Measure the powder lightly, do not pack. Use in the dry form for cooking or baking or mix with water and use in place of fluid milk. To use dry, mix the instant skim milk powder with the other dry ingredients and add the required amount of water. To use as a liquid, follow the directions given on the package.

**Cream Sauce**  
Thin Med. Thick  
Butter (tbsp.) 1 2 3  
Flour (tbsp.) 1 2 4  
Salt (tsp.) ¼ ¼ ¼  
Skim Milk Powder (cup) ½ ½ ½  
Water (cup) 1 1 1  
Melt butter in top of double boiler, then blend in flour and salt. Add skim milk powder, then gradually add water and mix thoroughly to blend all ingredients. Cook over direct heat, stirring constantly until mixture begins to thicken. Place over hot water and cook five minutes longer, stirring occasionally. Just before serving beat well with a rotary beater. Makes about one cup.

Miss Edith Boose of Turner Valley spent the weekend with her mother here.

Bill Pinkerton and Mrs. B. Pinkerton of Calgary visited with Mrs. Ida Henry and girls on Sunday.

Possibly heralding an early arrival of spring, several pansies were picked by Mrs. W. A. Shields in her garden on Friday morning, March 1.

Mr. and Mrs. Bob Radke and family of Calgary were weekend guests of Mr. and Mrs. Bernard Meuller.

The Order of the Royal Purple are holding a meeting Monday, March 11 at 8:00 p.m. in the Vulcan Lodge Hall. Bus load from Milk River to present the Gavel. Come out and join in the fun.

Mr. and Mrs. John Schierman were Crossfield visitors Saturday. Charles Pedersen of Medicine Hat visited with his grandparents, Mr. and Mrs. E. G. McPherson here on Monday.

Cameron Middleton and George Mueller took a load of machinery to Hoadley the first of the week and while there George visited with relatives.

Mr. and Mrs. David Ruark and Mr. and Mrs. Gene Ruark are presently visiting at Portland, Oregon. During their absence Mr. and Mrs. Archie Ruark of High River are caring for their place.

Mrs. Roger Somerville and children have joined Roger at Pincher Creek, where they will make their home.

Merv McIntyre of Billings, Mont. visited relatives here briefly at the weekend enroute to Edmonton, where he visited with his wife and son.

Friends of Mrs. F. South will regret to learn she is again confined to the local hospital.

Mr. and Mrs. H. B. Ulrich of Calgary were Sunday guests of Mr. and Mrs. W. W. Clarkson.

Ronnie, son of Mr. and Mrs. Walter Stewart has returned home from a few days spent at the local hospital.

E. G. McPherson, Bill Salvage, Jack Deans and Max Kehr attended a meeting of the Blackie IOOF lodge Monday evening.

The Anglican church Ladies Guild wish to announce they will hold an afternoon tea in honor of Mrs. Margaret Dobbs in the church basement Sunday, March 17 from 3:00 to 5:30. All friends of Mrs. Dobbs who would like to attend this reception are cordially invited. Mrs. Dobbs plans on leaving shortly to make her home in Calgary, after a residence of some 30 years in Vulcan.

M. R. Morrison left last weekend by plane for a month's visit with relatives in Ontario.
